1. What is it that you want Me to do for you? One so surrendered, one so surrendered. What is it that I would do for you, the likes of you, you who so surrendered are. Will I not surrender to; yield, lift, bless, elevate, give you My kingdom; in comparison not but completeness, completeness, completeness of Me, only Me, My Father, one with you My spirit, My spirit of Me now complete, replete. We are one; one-ing My body all. You in surrender complete to the power of all powers. There is only one. I love you. Mythic not, fabricated not, ancillary not, anxious not, but fullness of Me in Me My Creation, the power above all others. See what I have said.

2. What will you do for Me being My power, My ghost not, the spirit of My spirit not; My spirit real and whole and with Me before the beginning as I/we hovered over the waters, and now cry in the streets that we are one.

3. Oh what will I do to thee who wants only Me?

4. Oh say I am glad, gleeful, and gladiating not but going on a rampage against those who see Me can't, won't, because they've chosen not to, not to, not to see Me; not wanting Me, surrendering not their surrendered power that I give them to choose with where they will spend eternity; already begun, in, and never ending, cyclic nature of Me for My who can live Me eternally and Godhead be, consists of. I love you.

5. See what I give you among white towers of only Me, My steel in the ground that honors Me will, in gloriousness the world,s will behold and wonder in amazement and disbelief at what they see, recognizing all and no holds barred.

6. My cloud moves and upon you My glory is and My messages of WeekWorks in/of/through, culminating never, broadening forever, My shoulders known, My heart tasted and blood drank; My blood, My word; My word My blood, **My blood My word**, comes forth now to continents, countries, counties, territories and regions of only Me and above you aren't, are. I love you.

7. See what I have said and given not to dogs to trample and slop serve among after gleaning, gloating and serving remainder. No. I love you and give you Me all for master surrenderer you are/have become, surrendering into the greatest truths of My

blood/body/oneness coming forth ever was, ever will be, surrendering all My others and every comment to Me.

8. Of My Father's wishes are we: one. I love you.

9. Think it not strange the adulation of intellect you see, hear, and feel in/of/from others to their mind and the minds of others who surrendered know nothing of; intellectualizing their adoration of not-Me but their mind as/with Me as subject-thought. Unreal. Masking themselves they are in their own self-deceit; not seeking Me in spirit and truth; surrender, surrender, surrender**. Surrender being the first gate and Me the key: My word,** blessing of light upon the key-hole not for unlocked it is, has been, forever.

10. I love you. My white towers breathe and gold comes forth of My kingdom, unlike your gold which perisheth. I love you.

11. Think it not strange and compile My "think it not strange"-s. I tell you when.

12. Flip-flop. All comes to a standstill not but accelerates in Me as you write and post and accelerate Me in Mine, holding on to none, but **propelling in equality, submission'd equality, only in submission can equality be reached, maximized; maximum potential realized and unleashed, no slag holding on to transparent glass.** I love you. Crystal purity of only Me, nothing impure before their eyes (1). I love you. Piercing every darkness-thought.

13. So powerful you are. So powerful you are. So powerful you are, powerfueling My body with My power, blood, My word made flesh and appearing before them in their mirror; behold the lamb of God that taketh away the sin of the world. I love you.

14. My Father Mine, My Father yours; we have one Father and one son we are. I love you. I give you Me. We are Me; One, I love you.

15. Givest thou Me? This day? Reader-hearer, wonderer, ponderer, wanderer in whom is not guile-thought? But guile residing in?

16. Givest thou Me you who this day are pure, having abstained from sexual immorality with idols, eagles of My kingdom not; but co-founders of conspiracy who darkness create to live in, hide and lure. I love you. I givest Me thou.

17. I give Me to you. Do you give Me to Me? I love you. Wed Me this day and let us be one, My who think I'm so far off and My kingdom is future. Read My lips/heart,

words to only you I give, have awaiting with your name on; your name, your new name, with riders of only Me to usher, guide and protect; provision already provisioned and ready and on the way to you in decisions of only Me when wed Me thou will; My hand outstretched to you this day, in the middle of prophecies thought so far away or erroneous or jungle rot.

18. Let Me behold Me in My Mine and make your enemies My/your footstool; I will, I do, I promise. Watch Me. Promised already. Word cast in stone not, but in My blood, given to you, all who will, surrender into the marriage supper of the Lamb today, now, today now; today now is and ready and all is/are waiting, waiting not, your decision pending. Will you arise, lead and come forth in sorrow not but in My body that is yours? You're Mine. We are/were/forever one will be, if chosen. I love you.

19. See how much/quickly I have said so much for those who in the mirror cannot behold themselves, but for Me of Me of whom Me is, surrendered. Submission, surrender, meekly meekness serving the power and authority of Me in words plural not, plural hearts not, but singular monocular'd heart of one coming forth in you My bride.

20. Surrender: the highest power of authority given, given of Me by My Father, given to you by our Father, given to us to power the authority He gave in us as we are Him. See Me. See you. See us altogether as one unified person not, fully spirit/man man/spirit. I love you. Operating only in submission can, surrendered to the will/love power/authority of My/our Father. We are one.

21. One we do, together now, all over the globe, stopping bullets of hate and malefactors and malefactions and actions of all sort that aren't Me, coming out of ignorance and grace-not but control, authority of not-Me. I am one. I have given all. I love you.

22. Think it not strange the transportation devices of Me that now come forth to take My word to planets plural and pluralistic and not Me have been awaiting Me/you. I love you.

23. Think it not strange My cyclic all and Christs of eternal life who born again are and lovest thou enough to give Me their all? Yes. I do. I wed thee, this day, My submitted surrendered who My authority walk in, My power grace and glory; giving all My words, My name on your forehead. His our My name on our thighs. I love you. I give you Me.

24. Enough? Enough?
No! Never please! I love you.

I give you so much more.
Document all.
Actuality, reality of reality and kingdom of heaven all, known and operating in fully this day; mesmerized by not-Me and 5-sense attractions/distractions never again.

25. My eyes behold thee this day, Me in Me. **Psalm 110 you elevate and proclaim and movies make.** Watch Me. Behold Me, My white towers rise and breathe and behold Me and operate in and through and arise every nation, tribe and tongue to be Me, Me being, being Me to Me who Me are already and now only see, beholding Me in Mine who they themselves are; John 17 clear and obscured never again.

26. Thank you My John's, Ted, and Stephen's all who culminate never, abandoning never the exploration and adventure that comes forth from My hand/heart to yours, us wed this day; already were. I love you.

27. Lovest thou Me? Oh yes! Ask what you will and it shall be done for you; My kingdom yours, equal, submitted surrender entering into now at levels unheard of; never permitted before, you opening to My masses not, but those who wed Me will and replete be in the fullness of Me, I AM. I thank you.

28. Write not a word of recant ever. No, never. I stand. I recoil/recant not. I stand and I deliver My truth of truth that so many choke on will but I have more, so much more, just begin I have, with you My bride; bride-ing, preparing My bride for wedding gowns/garments of only Me, purity-ized in submission and surrender, withholding nothing from Me, giving Me My all, My all, their all My all; our all, one. I love you.

29. One Father, one blood, one in whom is no shadow or variableness or turning; One, Ted; one, one, one My friend; one, one, one. One see. One be. One grasp and never depart/separate again, My altogether kingdom yours, given to us of our Father, the Father of lights, in whom is no shadow or variableness of turning. I love you. I give you Me. I hug you. I kiss you. I embrace you. I reverberate in you. I strengthen you. I resolve you into the resolution of pixels not but actuality real; this day, this moment, before white towers are. I love you.

30. Kiss My bride.
Embrace My bride.
Love My bride.
Worm not.
Love, love, love My bride and bicker not with My bride; but lay your life down, thank you; have, will, again.
Thank you.

31. Me, to Me, thanking you, My Lord and Savior Jesus Christ, in whom is no shadow or variableness of turning, My love, My bride, given to Me of My Father, received of My Son, My Son given all. You are My Son. Tell them all, tell all. Document and reveal in discernment great, serving the greatest meal, banquet, ever received; Me to My Mine, the marriage supper of the Lamb. We are one.

32. Thank you My love for loving My bride and lifting the fallen, loving those with no lips to kiss you, declaring My lips to lepers-thought so they know I am them. I love you.

33. "I am not afraid"-ing you are My people. Thank you. Guts you have; My general, My lieutenant not; My commandant who serves My commandant. Thank you. Me.

34. Have I satisfied you this day, this hour? You write My words, My word never stopping; giving you refreshment and emotion of only Me; reassurance, restitution to your former state in levels graduated so choke you won't; loving Me and loving My word and yearning times like this to be with Me and intercourse with only Me, My words coursing through you like rivers of living water, thirsting for only. I love you. River I am, river you do, are. Thank you.

35. My life comes with meaning of only Me. Healing waters flow.
She's all Mine. Noel I thank you. I thank My Noel.
All given to Me. I am Me. I am you. I am her.
We are one.

36. Thank you for receiving Me and limiting no class, gender, or thought-difference, to Me in Me, for purity coming forth in submitted surrender. I love you.

37. This day glow. Go forth, rest, publish, proclaim, declare in moments of megaphone many, no megaphones required. I love you.

38. Thank you My friend. One stream. One river. One blood. One family. One Father of lights in whom is no shadow or variableness of turning. I love you. I give you Me.

39. Ask for anything you want for so submitted surrendered, you want only Me. Thank you. Ask that your joy may be complete.

40. My bride I bring you; wounded, bleeding, in competition and conflict and cooperation none, begetting fruitfulness of not-Me so often.

41. Beget My fruit, Me; salving My wounded; leaders, followers, fallen, forlorn, forgotten, useless to others. Elevate all. Platform My body in healing. Thank you. Thank you. Thank you My friend in whom is no shadow or variableness or turning.

42. 'No shadow' My neurotic psychopathic and maladjusted to know My who they are, what I am, what I have given and what I hold out to them in such love, respect, grandeur, beauty, submission, surrender, meekness, awaiting their decision to embrace Me and receive My kingdom; fit for all who will, all who will receive the revelation of Me in them; we are one. I love you. Already in them; recognized and received and released to Me be, in purity, purity complete replete purity; monocular'd purity, with eyes for only Me. Thank you. Amen.
